

GARDENER'S DELIGHT

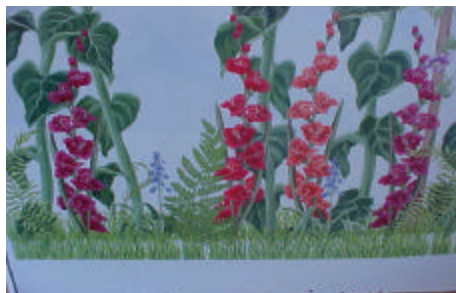

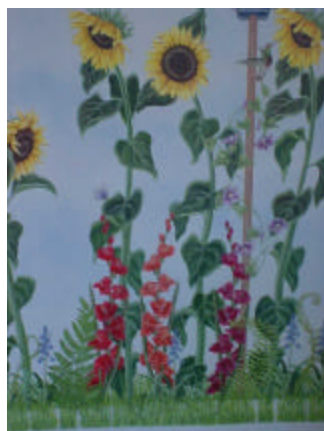

One Extra Sheet of Sunflowers and Grass Were Used on this Mural.

ALWAYS REMEMBER TO KEEP THE PROTECTIVE BACKING ON UNTIL YOU ARE READY TO RUB THE TRANSFERS ONTO THE WALL!

1. MEASURE OUT YOUR MURAL SPACE. DETERMINE THE CENTER OF YOUR MURAL.
2. LAY OUT THE SUNFLOWERS, YOU WILL HAVE A TOP SHEET, A BOTTOM SHEET AND EXTRA LEAVES TO COVER THE SEAM.
3. DECIDE WHERE YOU WOULD LIKE THE SUNFLOWERS TO BE PLACED. WHILE KEEPING THE PROTECTIVE BACKING ON, CUT OUT THE SUNFLOWERS ON BOTH THE BOTTOM AND TOP SHEETS AND TAPE THEM TO THE WALL
4. ONCE YOU ARE HAPPY WITH THE PLACEMENT, REMOVE THE BACKING OF THE BOTTOM (STEMS) SHEET AND RUB THE TRANSFER ON THE WALL WITH THE APPLICATOR STICK. DON'T PUT THE BOTTOM FLUSH WITH THE BASEBOARD OR BOTTOM OF THE WALL. PLACE IT 3 TO 3-1/2 INCHES ABOVE. YOU WILL ADD THE GRASS AT THE END AND YOU DON'T WANT TO COVER YOUR OTHER DESIGNS.
5. CAREFULLY LINE UP THE TOP OF THE SUNFLOWER TO THE BOTTOM PIECE, MAKE SURE THE SUNFLOWER IS STRAIGHT, REMOVE THE

PROTECTIVE BACKING AND RUB THE TOP ONTO THE WALL.

6. USE THE EXTRA LEAVES TO COVER THE SEAMS BY SIMPLY REPLICATING THE LEAF THAT IS CURRENTLY THERE OR BY ADDING ANOTHER LEAF.
7. CUT OUT THE STICKS OF THE BIRD HOUSE AND STARTING FROM THE BOTTOM, RUB THEM ONE ON TOP OF THE OTHER FORMING A LONG POLE, AND THEN PLACE THE BIRD FEEDER ON THE TOP.
8. USE THE MORNING GLORIES TO CLIMB UP AND AROUND A DOOR OR WINDOW, OR HAVE THEM FLOW FREELY THROUGH YOUR MURAL. YOU CAN ALSO HAVE THEM CLIMB UP THE BIRD FEEDER POLE. YOU SHOULD CUT THE MORNING GLORIES WHERE INDICATED SO YOU GET THE MOST OUT OF EACH SHEET. FEEL FREE TO CUT THEM WHERE YOU NEED TO, WE JUST GIVE YOU SOME SUGGESTED PLACES TO CUT.
9. FILL IN THE REST OF YOUR MURAL BY APPLYING THE BLUE BELLS, GLADIOLAS AND FERNS, BE CREATIVE, YOU ARE YOUR OWN ARTIST!
10. ADD THE GRASS TO YOUR MURAL. BE CAREFUL NOT TO PLACE IT TOO HIGH OR TOO LOW AND MAKE SURE IT IS EVEN.

11. ACCESSORIZE WITH THE BIRDS AND BUTTERFLIES, THIS IS A FUN WAY TO TOP OFF YOUR CUSTOMIZED MURAL!
12. MOST OF ALL...HAVE FUN!
