

KITCHEN COMBO PACK

HOW TO GET THIS LOOK....

1. PUT THE BOWL UP FIRST. PUT IT IN THE CENTER OF THE AREA YOU ARE WORKING IN.
2. PUT UP THE BREAD, CHEESE, AND WINE.
3. START 3 TO 4 INCHES ABOVE THE BOWL AND PUT UP YOUR FIRST PIECE OF FRUIT.
4. START ADDING THE REST OF THE FRUIT GOING DOWN, DON'T BE AFRAID TO LAYER THE FRUIT FOR A 3-D LOOK. YOU CAN TATOUAGE OVER TATOUAGE. YOU CAN HAVE FRUIT HANGING OUT OF THE BOWL OR LOOK AS IF IT HAS FALLEN OUT.
5. IF YOU WOULD LIKE THE FRUIT TO LOOK AS IF IT IS SITTING IN THE BOWL, LAY THE TRANSFER, **WITH THE BACKING ON**, WHERE YOU WOULD LIKE IT AND MARK THE EDGE OF THE BOWL WITH THE PEN OR PENCIL ON THE PIECE OF FRUIT. CUT ON THE LINE YOU MARKED AND LAY THE FRUIT IN THE BOWL. CONTINUE ADDING UNTIL SATISFIED.

MOST IMPORTANTLY YOU ARE THE DESIGNER, HAVE FUN WITH YOUR PROJECT!

HERE IS A CLOSER LOOK AT THE FRUIT BOWL
